PETITION TO REVIVE UNINTENTIONALLY ABANDONED APPLICATION
UNDER 37 C.F.R. §1.137(b)

On December 20, 2005 the undersigned received a telephone call from Examiner Cook asking whether a Reply was sent in response to the Final Office Action mailed June 17, 2005. Upon checking the case file, the department electronic docketing system and my own personal docketing system I found no record of receiving the Final Office Action and so informed Examiner Cook. Examiner Cook instructed me to call Brenda Gray at the USPTO to determine how to proceed.

I telephoned Brenda Gray on December 20 and 21, 2005 and January 4 and 5, 2006. When I spoke with her on January 5, 2006, Ms. Gray informed me that the instant case was listed as abandoned as of December 17, 2006 and instructed me to file a Petition for Revival.

Applicants filed a Petition to Revive Unavoidably Abandoned Application under 37 C.F.R. §1.137(a) on January 17, 2006. Attached herewith as Exhibit 1 is a copy of the Petition as filed and its accompanying Exhibit A.

On March 10, 2006 the United States Patent Office dismissed the above-identified Petition to Revive Under 37 C.F. R. §1.137(a). Accordingly, Applicants herewith petition to

revive the instant application under 37 C.F. R. §1.137(b) and are simultaneously filing a Request for Continued Examination.

The entire delay in filing the required reply from the due date for the reply until the filing of the instant petition was unintentional.

If the Examiner requires any additional information, Applicants invite the Examiner to call Applicants' agent at the number noted below.

Respectfully submitted,

PETITION TO REVIVE UNAVOIDABLY ABANDONED APPLICATION
UNDER 37 C.F.R. §1.137(a)

On December 20, 2005 the undersigned received a telephone call from Examiner Cook asking whether a Reply was sent in response to the Final Office Action mailed June 17, 2005. Upon checking the case file, the department electronic docketing system and my own personal docketing system I found no record of receiving the Final Office Action and so informed Examiner Cook. Examiner Cook instructed me to call Brenda Gray at the USPTO to determine how to proceed.

I telephoned Brenda Gray on December 20 and 21, 2005 and January 4 and 5, 2006. When I spoke with her on January 5, 2006, Ms. Gray informed me that the instant case was listed as abandoned as of December 17, 2006 and instructed me to file a Petition for Revival.

The delay in replying to the Final Office Action mailed June 17, 2005 was unavoidable because Applicants had no record of receiving the instant office action. Due to the Christmas and New Year's holidays Applicants were unable to submit the instant petition until today.

Attached as Exhibit A is a copy of the Procedure for Incoming Mail in the Patent Department at Abbott Bioresearch Center. All mail is docketed in IP Master, the department's

electronic database and docketing system. Each attorney/agent also docketes any due dates on his/her own docketing system.

Applicants respectfully request that the instant application be revived and have included the fee of \$500 as specified under 37 C.F.R. 1.117(l).

If the Examiner requires any additional information, Applicants invite the Examiner to call Applicants' agent at the number noted below.
